Come Back to The Experts

Thank you for bringing your vehicle to us for your Quality Care Maintenance Inspection. To help ensure that your truck keeps running its best, we've identified areas that may require your attention. Be sure to come back to us for your next inspection or for anything else your truck may need. You'll always get expert service at a fair price. Our factory-trained technicians know your Ford vehicle best, and servicing them is all they do. That's why they do it better.

We're Ready, Willing and More Than Able to Meet All Your Truck Service Needs

Our factory-trained technicians can fill your engine with specially formulated Motorcraft® oil and install new Motorcraft® oil, air, and fuel filters, which feature excellent construction and deliver quality performance. And, our experts know the proper inspection and maintenance intervals for your Ford truck.

You'll get a thorough inspection of your brake system by our factory-trained technicians. If you do need to replace your brakes, we offer the choice of Ford Motor Company Genuine Parts that can help keep your vehicle operating like new, or Motorcraft® brake parts that offer outstanding braking performance for a great value.

When you need new tires, bring your truck to us – we'll recommend the right replacements for your driving performance needs and we'll do it for a competitive price. Our experts will install name-brand tires such as Goodyear, Michelin, General, Continental, Pirelli, Hankook and Uniroyal. We'll also honor the tire manufacturer's warranty.

Our Motorcraft® Tested Tough® MAX and Tested Tough® PLUS batteries provide dependable power in a wide range of conditions and feature some of the best limited warranties and towing coverage in the business. Our factory-trained technicians are experts at inspecting your battery and they can install the proper replacement for your vehicle. See Dealership for a copy of the Limited Warranty.
